

(Last Updated 11/24/08.)

Name:
Andy .E. Hamm

Location:
Contact for location details.*

Objective:
I am currently not seeking non-profit work.
I may be willing to help with commercial projects. Contact for details.*

Summary:
Highly experienced with Game Maker and GML coding.
Experienced in sprite development, and special effects.
Experienced in photo editing and advertising.
Experienced with Microsoft Windows.

Experience:
I have had almost 7 years of Game Maker and GML experience.
I have developed 1 full length quality game. (And many unreleased engines / abandon ware.)
I have been using MS Paint to sprite for almost 9 years.
I have been an avid user of graphics editors for nearly 5 years.
All my experience has been under a Microsoft Windows environment.

Work History:
I have spent some time working for several small hobbyist development teams. None accumulated into anything big.

Education:
I am a High School Graduate.
